Discussion of Sportmans Boat Launch included condition and some suggestions for repair such as rip rap and gravel as a patch until funds might be secured for a more permanent fix. Dennis suggested that fees should be charged and that the Alma Launch Ordinance would be helpful. Commission discussed potential charges of \$10 per launch per day and \$100 per season EXCEPT for residents who might pay an Annual fee of \$30. Jesse would need to patrol daily. Fines should be significant – perhaps in the range of \$150. Discussion of ownership. Commission asked Randy to return to the Commission as soon as ownership is determined.
